

Learning Difficulties
Liaison Nurse Team
At UH Bristol

Joint commission strategy for people with Dementia

We offer a service to Adults with a Learning Difficulty who are receiving or due to receive hospital treatment, and may need some additional support.

We accept referrals from GP's, Carers, UH Bristol staff.

Any patient that is admitted for 48 hrs or more will have a Learning Difficulty risk/dependency assessment completed in consultation with the patient and carers, in line with our CQUIN targets.

We have very good links with Jane Buswell, Consultant Nurse for older people and regularly do joint working with The Older Adults Psychiatric Team.

We have a patient 'Alerts' system setup, which includes about 150 patients.

We also work very closely with the 3 CLDT's for Bristol.

We are contactable on: 0117 3422113
